ShowTouch 7"

Touch Panel Interface
Model SHOWTOUCH7

ShowTouch serves as a sleek user interface for Alcorn McBride Show Controllers, essential for monitoring and controlling your attraction.

FEATURES:
▸ Easy to Use
▸ Rugged Solid-State Design
▸ Customizable
▸ Simple Drag-and-Drop Panel Creation
▸ Flexible Mounting Options
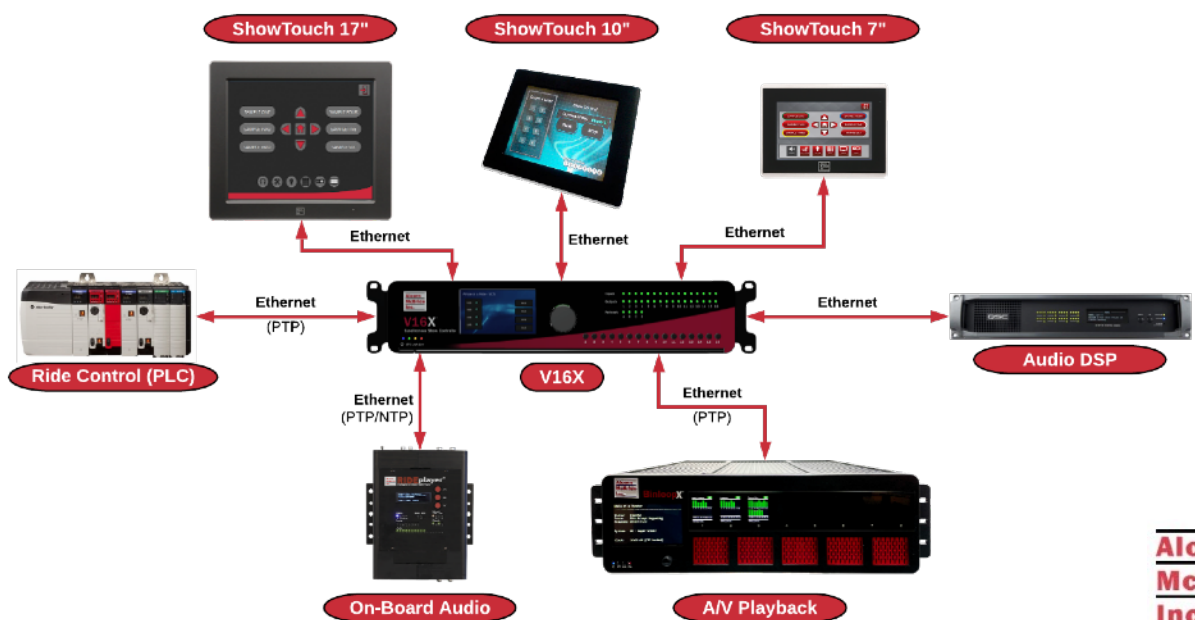

APPLICATIONS:
▸ Theme Parks
▸ Museums
▸ Retail

Adding an intuitive user interface to your attraction is easy with our ShowTouch panel solutions and our WinScript Live software tools. This environment empowers you to create elaborate screens with indicators, buttons, variables and faders that integrate seamlessly with your show control project.

The ShowTouch 7" panel is a rugged 7" embedded platform with mounting options for walls, themed spaces, and equipment racks, . If you need a different form factor, we offer both 17" and 10" hardware solutions, as well as ShowTouch apps for Windows, OS X, and iOS devices.
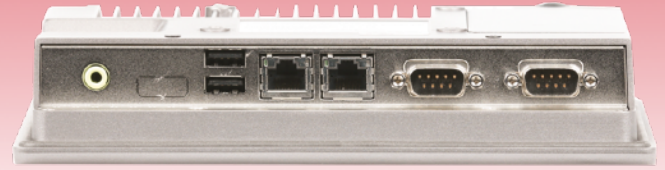

ShowTouch is the perfect way to enhance your V16X, V4X, VCore, RidePlayer, or BinloopX with beautiful and functional user/maintenance interfaces.
